Job Title / Consultant / Subject matter experts in white supremacist music

Location / London / or remote

Contract Length / Short-term consultancy contract / minimum 5 days

Start Date / ASAP

About Moonshot

Moonshot is a startup which specialises in countering violent extremism. We use data-proven techniques to ensure our clients respond to violent extremism effectively (moonshotteam.com). Our work ranges from software development and digital capacity-building to leading global counter-messaging campaigns.

About the role

We are looking for subject matter experts on white supremacist music, with fluency in Swedish and Norwegian languages (German is desirable).

The role will include the following responsibilities:

- Open-source research on specified music platforms.
- Identification of hateful music content in Swedish and Norwegian according to set criteria.
- Vetting of identified music content against set criteria.

The consultant can work remotely or at Moonshot's offices in London. This is a short term consultancy for a minimum of five days, with the possibility of an extension dependent on project needs.

Requirements

- Experience in open-source research on social media platforms and other platforms, and keyword translation.
- Proven knowledge of white supremacist music.
- Fluency in Norwegian and Swedish.
- Great organisational skills and ability to work with tight deadlines.
